

Call for Abstracts & Exhibitors Now Open for International No-Dig Vancouver 2025!

[Home](#) > [Announcements](#) > [Call for Abstracts & Exhibitors Now Open for International No-Dig Vancouver 2025!](#)

Last Update: 2025 01 25: The International Society for Trenchless Technology (ISTT) invites you to be a part of the premier trenchless technology event, International No-Dig Vancouver 2025!

We are pleased to announce that the Call for Abstracts and Call for Exhibition Space are officially open for the International No-Dig Vancouver 2025, held in conjunction with No-Dig North! This is your chance to showcase your expertise and connect with industry leaders. We encourage all our members to take advantage of these exciting opportunities.

Event information

- Name: International No-Dig Vancouver in conjunction with NASTT's No-Dig North
- Date: 27-29 October 2025
- Venue: Vancouver Convention Centre
- Website: [Webiste Link](#)

1. Call for Abstracts

Are you working on cutting-edge trenchless projects or research? Share your insights with the global trenchless community! Submit a 250-word abstract for consideration. This is an excellent occasion to present your work, spark discussions, and contribute to advancing trenchless technology.

Submit your abstract by Tuesday, March 18, 2025, 11:59 PM US EST via this [LINK](#).

For any questions regarding abstract submissions, please contact:
Michelle Hill NASTT Conference Services Director mhill@nastt.org

2. Call for Exhibition Booths

Connect face-to-face with potential clients, partners, and industry influencers by exhibiting at International No-Dig Vancouver 2025! Secure your booth space now and demonstrate your latest products, services, and innovations. This is an invaluable opportunity to generate leads, build brand awareness, and expand your network.

Reserve your exhibition booth via this LINK.

For any questions regarding exhibition booths, please contact:

Jessie Clevenger NASTT Conference & Sales Director jclevenger@nastt.org

We strongly encourage our members to submit abstracts and/or reserve exhibition space. This is a unique opportunity to contribute to the global trenchless community and benefit from this prestigious event's valuable connections and knowledge.

We look forward to receiving many entries from our members!
